## **ACCREDITATION**

### **Accrediting Commission of Career Schools and Colleges**

NPTI is accredited by the Accrediting Commission of Career Schools and Colleges (ACCSC).

### **What is accreditation?**

Accreditation generally means that a college or school has been evaluated by a group of educators and meets the accrediting agency's standards. This process is VOLUNTARY for the college; it is not "required." However, accreditation is (1) required for financial aid eligibility, (2) easily recognized by potential employers, and (3) acknowledged by other colleges, universities, or schools, which may allow for the transfer of credits, acceptance into another school, and other education-related opportunities.

Be aware that some so-called "accrediting agencies" may not be recognized by the U.S. Department of Education. A current listing of recognized "accrediting agencies" maybe found on the US Department of Education's web site. Check with the DOE office before you send money to any college, even if it claims to be accredited.

- Assess a late penalty fee to the student;
- Require the student to secure alternative or additional funding;
- Deny the student access to any resources (access to classes, libraries, or other institutional facilities) available to other students who have satisfied their tuition and fee bills to the institution.

However, to qualify for this provision, such students may be required to:

- Provide a written request to be certified;
- Provide additional information needed to properly certify the enrollment as described in other institutional policies

## **Veteran's Credit for Previous Education or Training**

Students must report all education and training. The school must evaluate and grant credit, if appropriate, with the training time shortened, the tuition reduced proportionately, and the VA and student notified.

## **Veteran's Attendance Policy**

Students exceeding 5% total absences in a calendar month **will be** terminated from their VA benefits for unsatisfactory attendance. Early departures, class cuts, tardiness, etc., for any portion of a class period will be counted as 25% of the day absence.

In order to show that the cause of unsatisfactory attendance has been removed, students must show good attendance (as defined) for one calendar month after being terminated for unsatisfactory attendance. After such time, the student may be recertified for VA education benefits. The student's attendance record will be retained in the veteran's file for USDVA and SAA audit purposes.

## **Veterans Refund Policy**

The refund of the unused portion of tuition, fees, and other charges for veterans or eligible persons who fail to enter a course or withdraw or discontinue prior to completion will be made for all amounts paid which exceed the approximate pro-rata portion of the total charges that the length of the completed portion of the course bears to the total length of the course. The proration will be

determined on the ratio of the number of days or hours of instruction completed by the student to the total number of instructional days or hours in the course.

## **ACADEMIC PROGRESSION STANDARDS**

### **Syllabi**

On the first day of class students receive a copy of the course syllabi and course outlines. The student catalog is available one week prior to classes beginning. Students also receive a catalog at the time of enrollment.

### **Attendance**

Daily attendance is required. A daily report is accurately kept on trainees' attendance. Excessive tardiness and absenteeism will result in termination of the program. Occasionally, situations occur that conflict with training. It is the sole digression of the Director of Education, Campus Director or President to waive excused or unexcused absences.

### **Absences**

Excused and non-excused absences are considered the same when computing maximum number of allowable absences. Unsatisfactory Attendance is when a student is absent more than 30% of the scheduled class time. If a student has unsatisfactory attendance upon the stated evaluation point(s), the student is placed on Probation until the following conditions are met:

- ✓ The student establishes satisfactory progress or meets the conditions of probation.
- ✓ The student has corrected the problems that caused the unsatisfactory attendance.
- ✓ The student has satisfactorily completed work missed because of the absence either by repeating the session(s) missed or performing required work outlined by the instructor.

A limited number of Excused Absences (10% or less of scheduled class time) are allowed with approval from the Director for Medical, Legal, Bereavement, or Weather Related Events per Excused Absence Policy.

### **Tardiness**

Lateness or leaving class is documented on the quarter hour. Over two hours' early departure equals one full day absence.

### **Make-up Work**

Make-up work is required for any absence. Hours of make-up work will not be accepted as hours of class attendance. Tests that are not taken as a result of an absence must be made up within a time frame determined by the instructor.

## **Leaves of Absence**

A student may be granted a leave of absence for a maximum of 180 accumulative total days. A request for leave is best in writing. A student who is not making satisfactory academic progress, has been placed on probation status, that requests a leave of absence will also return on the same status. A student whose leave is approved, is reasonably expected to return in the same week of instruction, as the student's last date of attendance fell within. This date must be specified in the students written request to the college Director. If the student does not re-enter within the specified time or attends another college/institution and receives federal student aid, the student's enrollment agreement will be terminated and s/he will be granted a refund according to the refund policy. The Withdrawal date is determined by the date of determination according to the Department of Education regulations.

## **Probation**

A student will be placed on Academic Probation if at any point where a student fails to meet satisfactory academic progress standards.

## **Re-Entry**

A student who has withdrawn or has been terminated and wants to re-enter their training program must notify the Institution Director and follow the required admission procedures. A student who was terminated for any reason can meet with the Institution Director and show why s/he should be re-admitted and how the student will meet program requirements. The decision of the Institution Director will be made based on the student meeting program requirements. The timeframe for reentry must be 180 days from date of withdrawal or termination for resident students.

## **Graduation**

Graduation ceremonies are held after each session. Upon satisfactory completion of all academic requirements and tuition obligations, the student is awarded a Diploma and transcript. Additional transcripts may be requested at a fee of \$25.00 each.

## **Grading**

Students must maintain a grade average of 70% or better in order to satisfactorily complete their programs. Grades for tests and projects are as follows:

A	90 - 100	Excellent
B	80 - 89	Good
C	70 - 79	Average
D	69 - 60	Failure
F	59 - 0	Failure

Bi-weekly tests are given to evaluate student progress in the classroom. Students who are having difficulty may repeat the module or practice work. During this time, the student is to work with the instructor to improve the grade. Grades can be improved by re-taking exams after reviewing failed subject matter. An exam may be re-taken a total of 2 times.

Records of academic progress are maintained by the institution indefinitely.

### **Termination**

An NPTI student will be terminated if the student has unexcused absences for 14 days consecutively or exhausts maximum completion timeframe of 150% of the program.

### **Official Withdrawals**

Students must notify the director in writing of their intention to withdraw from the program. For purposes of cancellation, the date shall be the date of determination.

### **Unofficial Withdrawals**

Dismissal Policy –Students who fail to comply with attendance, academic requirements, or the code of student conduct are subject to dismissal by the director. A review and conference with the director will be scheduled upon infraction. The unexplained absence of a student from NPTI for more than 14 consecutive calendar days shall constitute notice of cancellation to NPTI. For purposes of cancellation, the date shall be the date of determination.

\*Scheduled school closure dates are not included in the 14 consecutive days\*

### **Changes made by Institution**

If the institution cancels or changes a program of study or location in such a way that the student who has started is unable to complete training, arrangements will be made in a timely manner to accommodate the student. If the institution is unable to make alternative arrangements that are satisfactory to both parties, the institution will refund all money paid by the student. Any changes will be stapled to the catalog and/or sent to students and will be approved by the Commission for Independent Education.

### **Program Completion Time**

The standard completion time for the program is 18 weeks. For undergraduate programs measured in clock hours the program length for completion will not exceed 150 percent of the standard completion expectation. This is represented by cumulative number of clock hours and calendar time. (Example 18 weeks, plus 9 weeks, not to exceed 27 weeks).

## **FINANCIAL AID ASSISTANCE**

NPTI is eligible for tuition assistance through Federal Financial Aid or Title-IV programs, State funded Florida Bright Futures and Privately funded Florida Pre-paid or other 529 savings programs. Federal need-based programs available to those who qualify are; Pell Grants and Subsidized Direct Loans. You are not eligible to receive a Federal Pell Grant if you are incarcerated in a federal or state penal institution or are subject to an involuntary civil commitment upon completion of a period of incarceration for a forcible or nonforcible sexual offense. A Federal Pell Grant, unlike a loan, does not have to be repaid, except in rare or unusual circumstances.

Amounts can change yearly. The maximum annual amount for the Federal Pell Grant award is \$4,330 for the 2021–22 award year (July 1, 2021, to June 30, 2022).

For more information about the Free Application for Federal Student Aid (FAFSA) or to complete an application, please visit <https://studentaid.gov/h/apply-for-aid/fafsa> . Be advised that ALL Federal Student Financial Aid (loans or grants) BEGIN with completing the FAFSA application. The NPTI school code is **042505**

### **Crossover**

### **Loan Terms and Conditions**

To apply for a federal student loan, you must complete and submit a [FAFSA](#) Based on the results of your FAFSA, you will be sent a financial aid cost

estimate, which may include federal student loans. You can choose to accept all or a part of the loan. A loan is money you borrow and must pay back with interest. Before you receive your loan funds, you will be required to complete [Entrance counseling](#), a tool to ensure you understand your obligation to repay the loan; and sign a [Master Promissory Note](#) (MPN), agreeing to the terms of the loan. Accepting loans as part of your school's financial aid award package you will be required to complete an [Exit Counseling](#) if you drop below a half-time status, withdrawal or graduate from your program.

### **Federal Direct Loan Cancellation**

Before your loan money is disbursed, you may cancel all or part of your loan at any time by notifying your school. After your loan is disbursed, you may cancel all or part of the loan within 14 days from the date the school notified you of your loan disbursement. Your promissory note and additional information you receive during loan counseling will explain the procedures and time frames for canceling your loan.

### **Award Criteria**

Federal Financial Aid funds will be awarded to students on a prorated basis according to the length of their program. Students will receive one on one counseling regarding their full eligibility and prorated eligibility.

### **Financial Aid Disbursements**

Federal financial aid payments divided equally into two payments. Payments are estimated to be paid on the first day of class unless the student is a first-time loan borrower, whom are subject to a 30-day disbursement hold. Subsequent disbursements are estimated 10 weeks later. Any credit balances or stipends will be delivered to the student on campus within 14 business days of the disbursement date. \*Disbursement dates are subject to change, due to unforeseeable circumstances, at any moment.

### **Return of Title IV Financial Aid**

If you receive Title IV also known as federal financial aid and withdraw from NPTI within the first 60% of the period of enrollment, with or without official notification to the school, a pro-rated portion of your financial aid may need to be returned to the Department of Education. In this case, you will be billed for the amount of aid that must be repaid and transcript-hold will be placed on your account until the bill is settled. After 60% of the enrollment period 100% the students financial aid funds received for that period will be considered earned and no refunds would be due. If you did not receive all of the funds that you earned, you may be due a post- withdrawal disbursement. For more detailed information see the Financial Aid office. Students are considered to be withdrawn if:

- ✓ A student does not complete all the clock hours within the schedule program completion dates, or

- ✓ A student stops coming to class with or without official notification for 14 days consecutively, or
- ✓ A student ceases coming to class and is not on an approved leave of absence, or

- ✓ Return unearned Title IV funds that were disbursed to the student where in the student was deemed ineligible, based on the calculation;
- ✓ Borrowers of Direct Stafford Loans are required to complete an online Exit Interview before leaving NPTI.

Any amount of unearned grant funds that you must return is called an overpayment. The maximum amount of a grant overpayment that you must repay is half of the grant funds you received or were scheduled to receive. You do not have to repay a grant overpayment if the original amount of the overpayment is \$50 or less. You must make arrangements with NPTI or the Department of Education to return the unearned grant funds.

Any student who withdraws officially or unofficially will be made aware of the possible consequences of withdrawing. For financial aid students, repayment on Federal Loans begins six months from their last date of attendance. Students who took a full Leave of Absence (LOA) and who did not return from the LOA will go into immediate repayment. For LOAs the repayment will be effective of the initial LOA date.

The R2T4 does not dictate NPTI's refund policy and is not based on the student's education charges, only the scheduled time within the period of enrollment in which the student drops. NPTI will refund any unearned Title IV aid due within forty-five (45) days of the date of determination as per 34 CFR 668.22(l)(3).

Title IV Refunds are refunded in the following order:

- 1 Unsubsidized Direct Stafford Loans
1. Subsidized Direct Stafford Loans
2. Direct PLUS Loans
3. Federal Pell Grants for which a return of funds is required
4. Iraq and Afghanistan Service Grants.

The requirements for Title IV program funds when you withdraw are separate from any institutional refund policy that NPTI may have. Therefore, you may still owe funds to NPTI to cover unpaid institutional charges. NPTI may also charge you for any Title IV program funds that NPTI was required to return. For detailed information please see the campus Director.

### **Post-withdrawal Disbursement**

If the student is eligible for a post-withdrawal disbursement the school will advise the student or parent they have fourteen (14) calendar days from the date NPTI sent notification to accept a post withdrawal disbursement. A student who qualifies for a post withdrawal disbursement must meet the current award year requirements and time frames for late disbursements. A post withdrawal for Pell Grants of which the student is awarded will be disbursed within forty-five (45) days of the date NPTI determined the student withdrew. Post withdrawal loan funds a student accepts will be made within one- hundred and eighty (180) days from the date NPTI determined the student withdrew.

## **SATISFACTORY ACADEMIC PROGRESS**

### **Definition**

Satisfactory academic progress is defined as a student maintaining a minimum of a 'C' grade average, 70% pace completion of scheduled hours and has not exceeded the maximum timeframe for completion.

NPTI evaluates and notifies each student regarding their satisfactory academic progress at the end of each enrollment period. If determined at the end of the enrollment period a student is not meeting the SAP requirements the student will be placed on Financial Aid Probation. If the student has been placed on Financial Aid probation the student will be required to submit an academic appeal.

Students must maintain satisfactory progress in the three areas listed below:

1. Cumulative Grade Point Average
2. Hours Earned
3. Maximum Time Limit

### **Cumulative Grade Point Average (GPA)**

Students must maintain the minimum cumulative grade point average of a C, or 70% for satisfactory progress toward graduation requirements.

### **Hours Earned (Compared to Hours Attempted)**

Standard total hours for successful completion of the NPTI program is 600 hours. To remain eligible for financial aid, students must meet SAP or 70% completion and 2.0 Cumulative GPA at the end of each enrollment period.

### **Maximum Length of Study**

To remain eligible for financial aid, students must complete their course work within 150% of the published length of the academic program. For example, students in NPTI's 600-hour, 18-week program will be eligible for financial aid for a maximum of 27 weeks as a student (18 weeks x 150% = 27 weeks). Students may re-take the course. However, students have a maximum of 27 weeks to graduate after initial enrollment.

### **Subsequent Disbursements**

If at the end of the first enrollment period, the student is not meeting minimum SAP requirements, the student will be placed on Financial aid probation for the next enrollment period. Federal financial aid may be awarded during that period with an approved appeal.

## **FINANCIAL AID PROBATION**

### **Financial Aid Progress Review**

After each enrollment period, an academic progress review is completed, and students who are out of compliance at the end of the enrollment period may become ineligible for further financial aid until all deficiencies are remedied. The Student Financial Aid Office sends written notification of ineligibility to students at their permanent addresses as listed in official NPTI records in the Business Manager's Office.

### **Financial Aid Warning**

Program length prohibit Financial Aid Warning.

### **Financial Aid Probation**

A student will be placed on Satisfactory Academic Progress Probation if:

1. After a warning term, the Cumulative GPA is below 2.0% or 'C' average.
2. After a warning term, the Cumulative Completion Rate is below 70%.
3. Student has not attempted more than 150% of the required number of hours for completion of the NPTI Orlando certificate.

For the enrollment period following an enrollment period during which the

student failed to meet SAP standards the student maybe be placed on probation and may receive title IV, HEA program funds if the student appeals the determination; and the determination is approved. The institution determines that the student should be able to meet SAP standards by the end of the subsequent enrollment period.

### **Re-establishing Eligibility**

Students who have been deemed ineligible for financial aid may re-establish eligibility by following an NPTI developed academic plan co-developed with the student that, if followed, will ensure that the student is able to meet NPTI's satisfactory academic progress standards during the enrollment period immediately following the enrollment period for which the student did not meet SAP. Appeals must be submitted for review no later than 5 days after being placed on probation status. Late appeals may not be considered.

A student dismissed for unsatisfactory progress may be re-admitted into the program only at the discretion of the Institution Director.

A student may submit a written appeal to the Director or Director of Education, along with any supporting documentation, reasons why the decision to terminate financial aid should be reversed, and a request for re-evaluation of the progress. The appeal should indicate reasons why the student failed to make SAP and what has changed in the student's situation that will allow the student to demonstrate SAP at the next evaluation.

Should the student prevail with his/her appeal, the student will be placed on probation for the enrollment period and financial aid will be reinstated for that enrollment period.

## COPYRIGHT INFRINGEMENT

### Purpose

The purpose of the Copyright Infringement Policy is to comply with copyright law for the use of copyrighted material. In addition, this policy seeks to make aware to all users the seriousness as well as possible consequences for unauthorized use of copyrighted material. It is illegal. For example, the copying/downloading/uploading of copyrighted materials (i.e. music) to other media (i.e., CD's, storage media and networks) from peer-to-peer networks is against the law. If users do not own the copyright, distribution of such copyrighted works should not occur.

It is NPTI policy to comply with all copyright laws. All faculty, staff, and students are expected to be aware of and follow these requirements. Any member of the NPTI community practicing unauthorized use or distribution of copyrighted material will be subject to sanctions by NPTI up to dismissal from school or termination of employment. Individuals would also be subject to Federal criminal offenses for copyright law violations.

### Definitions

**What is Copyright?** Copyright is a form of protection provided by the laws of the United States (title 17, U.S. Code) to the authors of "original works of

authorship,” including literary, dramatic, musical, artistic, and certain other intellectual works. This protection is available to both published and unpublished works. Section 106 of the 1976 Copyright Act generally gives the owner of copyright the exclusive right to do and to authorize others to do the following:

- ✓ To reproduce the work in copies
- ✓ To prepare derivative works based upon the work;
- ✓ To distribute copies of the work to the public by sale or other transfer of ownership, or by rental, lease, or lending;
- ✓ To perform the work publicly, in the case of literary, musical, dramatic, and choreographic works, pantomimes, and motion pictures and other audiovisual works;
- ✓ To display the copyrighted work publicly, in the case of literary, musical, dramatic, and choreographic works, pantomimes, and pictorial, graphic, or sculptural works, including the individual images of a motion picture or other audiovisual work; and
- ✓ In the case of sound recordings, to perform the work publicly by means of a digital audio transmission.”

In addition, certain authors of works of visual art have the rights of attribution and integrity as described in section 106A of the 1976 Copyright Act. For further information, request Circular 40, ‘Copyright Registration for Works of the Visual Arts.’ “It is illegal for anyone to violate any of the rights provided by the copyright law to the owner of copyright. These rights, however, are not unlimited in scope. Sections 107 through 121 of the 1976 Copyright Act establish limitations on these rights. In some cases, these limitations are specified exemptions from copyright liability. One major limitation is the doctrine of ‘fair use,’ which is given a statutory basis in section 107 of the 1976 Copyright Act. In other instances, the limitation takes the form of a ‘compulsory license’ under which certain limited uses of copyrighted works are permitted upon payment of specified royalties and compliance with statutory conditions.

For further information about the limitations of any of these rights, consult the copyright law or write to the Copyright Office.” ([www.loc.gov/copyright](http://www.loc.gov/copyright))  
US Copyright Office ([www.copyright.gov](http://www.copyright.gov))

**What is the Digital Millennium Copyright Act (DMCA)?** The Digital Millennium Copyright Act, H.R. 2281, was enacted into law on October 28, 1998. This act amended the copyright law to provide regulations for works cited via the World Wide Web (the Internet). To review an on-line copy of this act, please go to <http://lweb.loc.gov/copyright/legislation/hr2281.pdf>

**What is Infringement?** An infringement is “a violation, of a law, regulation, or agreement; a breach.” It is an “encroachment, as of a right or privilege.”

## Scope

Copyright is an issue of particular seriousness because technology makes it easy to copy and transmit protected works over our networks. While NPTI encourages the free flow of ideas and provides resources such as the wireless/internet/network to support this activity, we do so in a manner consistent with all applicable State, Local, and Federal laws. NPTI does not condone the illegal or inappropriate use of material that is subject to copyright protection.

## Activities that violate Federal Law

The following are some examples of copyright infringement that may be found in a school setting:

- ✓ Downloading and sharing MP3 files of music, videos, and games without permission of the copyright owner;
- ✓ Using corporate logos without permission
- ✓ Scanning a photograph that has been published and using it without permission or attribution;
- ✓ Placing a number of full-text articles on a course web page that is not password protected and allowing the web page to be accessible to anyone who can access the Internet;
- ✓ Downloading licensed software from non-authorized sites without the permission of the copyright or license holder;
- ✓ Making a movie file or a large segment of a movie available on a web site without permission of the copyright owner.

## COMBATTING THE UNAUTHORIZED DISTRIBUTION OF COPYRIGHTED MATERIAL: LEGAL ALTERNATIVES

NPTI offers legal alternatives to illegal downloading. A list of sites for legal downloading:  
<http://www.educause.edu/legalcontent>

## SUMMARY OF CIVIL & CRIMINAL PENALTIES FOR VIOLATION OF FEDERAL COPYRIGHT LAWS

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than \$750 and not more than \$30,000 per work infringed. For “willful” infringement, a court may award up to \$150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505. Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to \$250,000 per offense. For more information, please see the web site of the U.S. Copyright Office at [www.copyright.gov](http://www.copyright.gov), especially their FAQ’s at [www.copyright.gov/help/faq](http://www.copyright.gov/help/faq).
