Before applying for your visa, you should either contact the Consulate/Embassy or visit their website to determine the requirement for applying for the M-1 student visa in your home country.

<http://www.usembassy.gov>

In order to obtain an M-1 student visa you will need an I-20 Form (Certificate of Eligibility for Non immigrant Students). For the I-20 Form to be issued, your Admissions file must be complete. All documents must be reviewed and accepted.

PLEASE NOTE: If you are a citizen of Canada or Bermuda, a visa is not required to enter and study in the U.S. However, the I-20 Form is required for student status.

PLEASE NOTE: Students will **NOT** be permitted to work while enrolled at NPTI Orlando and in the United States with a form I-20 / M-1 student Visa facilitated by NPTI Orlando.

SEVIS Fee Payment

The SEVIS I-901 fee is mandated by Congress to support the Student and Exchange Visitor Program (SEVP) and the automated system that keeps track of students and exchange visitors and ensures that they maintain their status while in the United States. Each student or exchange visitor issued an initial Form I-20 or DS-2019 is responsible for paying the \$350 fee to SEVP. The fee can either be paid by mail with a check, via the Internet using a credit card or through Western Union.

For more information, please visit the U.S. Immigration and Customs Enforcement website. The link to their website is <https://www.ice.gov/sevis/i901>. Confirmation of the SEVIS Fee payment is required before the visa will be issued. This confirmation must be filed with your visa application.

How to Pay Your SEVIS FEE: www.fmjfee.com

PLEASE NOTE: Although citizens of Canada and Bermuda are not required to apply for a visa to study in the U.S., they are required to pay the SEVIS Fee.
